BRIEF ABSTRACT OF LETTER.

Requests that the powers granted to him in G.O. no. 291-302 / Edn 289-13 § 16.9.14 authorizing him to sanction original works in respect of School buildings up to an estimated value of Rs. 1000 in each case, up to the end of the current Fl. year, may be continued.

NOTES AND ORDERS.

The D.I. apparently wants the powers to be continued indefinitely. This question seems to have been included in the papers (now before the Dewan) about the

5 If a large limit is prescribed the temptation will be to sanction costly buildings in places where cheaper buildings would suffice. It is not clear that if a work is sd by the D.E. & there necessarily be got Executed by a contractor & not Entrusted to the P.W.D. It is perhaps too soon to say how the system has worked & it may perhaps be enough to continue the power to the D.E. for one year more. Giving it to him permanently may be considered after that period

OFFICE OF INSPECTOR-GENERAL OF EDUCATION IN MYSORE.

No. 15677 / 706

Bangalore, 19th March *191*5.

From

RAO BAHADUR M. SHAMA, RAO, ESQ., M. A.,
Inspector-General of Education in Mysore.

To

C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education and Agriculture,
Bangalore.

SIR,

With reference to Government Order No.291-302/Edn.289-13 dated 16th September 1914 empowering me till the end of the current official year to sanction original works in respect of school buildings up to the estimated value of Rs.1,000 in each case, I have the honour to inform you that 7 original works costing Rs.5,520 have been sanctioned by me during the current official year and they have all been entrusted to local contractors under the supervision of the Departmental and Revenue officers and all of them are in progress. I find that the building works sanctioned by me are carried out much more expeditiously than they would be if entrusted to the Public Works Department as much time and labour devoted to correspondence is saved thereby. The cost of the works is also cheaper, as less costly materials locally available are used and the establishment charges of 18% payable to the Public Works Department are also saved. Under these circumstances I request that Government may be pleased to continue the present practice authorizing me to sanction original works up to a limit of Rs.1,000 in each case.

I have the honour to be,
Sir,
Your most obedient servant,

INSPECTOR GENERAL.
